## Explorer Bob Chapman To Train For Desert Survival

The training Bob will receive is the best possible. This course is a "Train to the Trainer" experience for top flight, selected Explorers and Adult Leaders who will bring additional skills to scouting.

Top Air Force cooperation, personnel, and facilities are made available for this event, the Air Force making a \$300 training investment for each participant. ## Shoppers Swarm New Market Grand Opening

Grand opening of the new Foods Co. market at 174th street and Crenshaw boulevard unleashed an avalanche of expectant shoppers last Thursday. In fact, Ben Schwartz, vice-president of the rapidly-expanding food store chain, states that the turnout was twice as large as expected.

From early morning to late evening, a constant flow of value-conscious shoppers streamed through the electronically-operated glass doors of the beautiful, modern, million-dollar market in search of bargains, prizes, gifts, and entertainment. They weren't disappointed.

Following the policy of the other stores in the chain, the new market will offer the finest grocery products available at the lowest prices possible and last Thursday was no exception. All twelve checkstands were in constant operation as shoppers checked out baskets literally loaded with values.

Entertainment, gifts and prizes for adults and children rounded out the festivities and added even more excitement to the atmosphere.

In commenting upon the huge success of the opening, Ben Schwartz said, "We want to thank the thousands of folks who made the grand opening of our new Foods Co. market such a huge success. We want them to know that we value their patronage and the confidence they have placed in us. We will show our appreciation by continuing to offer the finest quality merchandise at the lowest possible prices."
